

683

A technical line drawing of a kitchen cabinet unit. The unit consists of a main cabinet body with a door and two drawers. The top drawer is partially open, revealing its internal structure and a metal slide mechanism. The bottom drawer is closed. The drawing includes three dimension lines with arrows indicating measurements: a vertical line on the left for height (683), a diagonal line at the bottom for depth (740), and a vertical line on the right for width (426). The drawing is a black and white line art style.
